

## IDAHO SOCIETY OF PROFESSIONAL LAND SURVEYORS

The BOG confirmed that each speaker will get a complimentary registration to the conference as well as a room at the conference.

Thayer confirmed that Matthew Byrd will also present but he needs more clarification regarding what topics he needs to cover for his two sessions.

Ward confirmed that Lisa Van Horn will be presenting, and she is waiting for a contract confirmation.

Other conference items:

Credits: 2 presentations will equal 1 CFEDS continuing education credit. There must be an additional charge to cover CFEDS.

Morgan was directed to get contracts to Kent and Van Horn. Additionally, the need to increase sponsorship fees was address and Randy Morgan said they were comfortable addressing this.

More information needs to be provided to the potential vendors regarding the size of display area, required set up and site security.

Scholarship Auction is to take place as usual. Word needs to go out to members that auction items are needed.

Important to work with conference venue to ensure there are gluten free options for meals as well.

### **Action Item:**

Each BOG member is to identify and send names with contact information for possible vendors to Patty Morgan as soon as possible.

The Board directed Morgan to begin work on the 2024 conference venues and have options determined by the March 2023 Conference/BOG meeting.

### **New ISPLS Website Demonstration**

Morgan demonstrated the new ISPLS website that will allow members to update their information; pay online faster and see history of payments. Update will allow more members to participate as well.

Additionally, the following ISPLS documents will be available on the new website as well:

- Approved minutes
- Policies
- By Laws
- Historical Board packet
